Town Manager Report 4/23/2020

Town Office/Town Clerk

- Currently Marti is only focusing on managing the office remotely which takes more time and is also not affording more time for other projects.

Public Works

- Taking care of downed trees and wash outs the past two weeks

Fire Department

- Nothing of note to report currently

Transfer Station

- Jim will be returning to work on May 2!

Town Manager

- Also trying to manage the town from remotely and in person as much as possible
- Continue to work on projects as can be done, much more than anyone thought can be done through email, phone, etc.
