### Town Manager Report 5/14/2020

#### **Town Office/Town Clerk**

- We are working on a plan to get the office back up and running, not at Marti's house, as early as next by the end of May though.
- Town Report is nearing completion, need a reports and the actual warrant.

#### **Public Works**

- Getting everything for the spring time out, docks, flowers, etc.
- Sidewalk and intersection sweeping is completed
- Grading will be happening next week along with roads being unposted
- The town office clock will be taken down next week

#### **Fire Department**

- Final paperwork is being completed for the new truck!!
- The new communication tower is moving forward, hopefully in the next budget.

#### **Transfer Station**

- Transfer station is fully up and going, accepting payments again.

#### **Town Manager**

- Planning meetings for the downtown grant have begun with some promising ideas
- The Downtown WIFI project is nearing the install phase, need to assure the church of the non-liability for the equipment
- The 5 year road plan is coming along nicely with budget expectations for each year.
