Town Manager Report 5/28/2020

Town Office/Town Clerk

- Office is open and getting back to normal. Residents are being allowed in one at a time and it has been going well.
- Town Report is nearing completion, need the actual warrant.

Public Works

- Grading is nearing completion
- Award a "a grant" for a flashing walking sign by the gym
- The 5-year road plan is coming along nicely with budget expectations for each year.
- Most of the summer spaces around town are ready to go, the second float at the beach will not be put out.

Fire Department

- They have been helping or participating in parade for local schools in lieu of graduations, along with a make a wish request.

Transfer Station

- Nothing to report

Town Manager

- Planning meetings for the downtown grant have begun with some promising ideas
- The Downtown WIFI project is nearing the install phase, need to assure the church of the non-liability for the equipment
- The 5-year road plan is coming along nicely with budget expectations for each year.
- Website will be a focus starting this week, content is out of date and new pages are needed.
