Town Manager Report 7/23/20

Town Office/Town Clerk

- Wrapping up election paperwork and items
- Tax bills are being mailed this week

Public Works

- A list of small tasks was made to be able to get a lot of them done quickly
- Hopefully will have some extra help for the summer and fall months coming shortly
- First truckloads of salt has been delivered and its being mixed

Fire Department

- New Fire Truck/Mini Pumper has arrived!!
- Work to begin on lakeside dry hydrants soon
- We used the boat we bought less then a week after buying it

Transfer Station

- Ordered new signs for the fee changes and no tires accepted

Town Manager

- Downtown WIFI install has been rescheduled again. Reached out to Axiom to check to see if someone else on their staff is available.
- Have been working with Turning Page Farm on their Community Development Block grant they were awarded.
- Work on the audit has begun, which will be all online. The actual audit is expected to be done by the end of September
- Clock on the front of the Municipal building was taken down, it will require a machinist to look at the inside. Good news is it is not as complicated as first thought.
- Meeting soon with Amelia and others to work on the website content and structure
