### Town Manager Report 2/25/21

#### **Town Office/Town Clerk**

- Colleen Pinkerton will be filling the cleaner position for the town office and gym.
- Work Continues on plans for finishing the meeting room/Coworking space.

#### **Public Works**

- There has been a lot of snow and a lot of snow removal the past two weeks.
- The budget for next year will consider using capital reserves for a new loader or equivalent as all the repairs and issues it is having.

#### **Fire Department**

- Nothing of note the past two weeks

#### **Transfer Station**

- Jim is back to work.

#### **Town Manager**

- Spent most of last Friday with the Comp plan consultant and am happy with the progress with that. Have asked the planning to considering having meetings again continue reviewing.
- Met with Northern Light Health last week about using the gym as a vaccine center, there are some hurdles to that, one being ADL concerns but the major one being parking.
- Trying to put some pressure on the engineering firm to get plans to me for the ADA ramps so I can get a building quote.
- Had to spend some time on GA cases since last meeting.
- Slow two weeks with snow days!
