#### **Town Manager**

- Spoke to Bill Varney at Premium choice about ConnectME has opened the grant process for applications, they contacted other local providers and need to wait a certain time period before they can move forward with applying.
- Working with CMP to figure out the reason we are being asked to pay for the trench work, they are not sure either at this point.
- Gathering prices for the upgrades to the meeting room still, aiming to have the work done by mid to late April at the latest.
- Have been working on the property and casualty insurance renewal paperwork.
