SELECTBOARD REPORT

ROAD WORK: Tyler suggested that the selectboard do a walk-thru to assess the conditions of the roads and see what issues may need to be addressed. Eric suggested that a professional Road Commissioner, Brian Turner, and someone from the DOT be present as well for the assessment. Eric will reach out to the DOT and make arrangements. Tyler will have a 2022 Summer Road Work draft plan for the next meeting. Steve Vainio will also be invited to the next meeting to discuss the public works plan.

TOWN MANAGER POSITION: Tyler stated that a timeline needs to be set for appointing an interim town manager and/or searching for a permanent town manager. Eric noted that the selectboard needs to take time to draft a job description and that the selectboard and the town clerk should be part of the hiring process. It was decided that things will be left as they are for now and the selectboard will work on finding a permanent replacement for the town manager.

Meeting adjourned at 6:25 pm.
